HEAD OF
SCHOOL'S
MESSAGE

Welcome back! It has been delightful to see you all back in school and hear about all the lovely things you have been doing during the holidays. The staff have been busy getting all the classrooms looking beautiful, ready for the magic to begin this year! All the children have been working very hard and have already got straight back into the swing of things. We have sent you a list of all the dates for the upcoming events. We hope this will be helpful! Enjoy your weekend and we'll see you all for a full week next week!
